Both Chinese character marks (hereinafter “Respondent’s Chinese Character Marks”) are registered to Yangpu NGT Industrial Co., Ltd. (hereinafter referred to as “Yangpu” doing business at No. 236 Zhonghang Building YangpuGuanghua Co. Hainan CHINA.

Petitioner, The Vantone Group, LLC, is a Limited Liability Company duly organized under the laws of New York, domiciled and doing business at 410 Park Avenue 15th floor, New York NY 10022 (hereinafter referred to as "Vantone").

The grounds for Cancellation under Sections 2(d) of the Lanham Act, as amended, are as follows:

1. Since long prior to December 31, 2010, Respondent's effective date of first use based on the filing date of its earlier filed application which matured into Registration No. 4230555, Petitioner has offered for sale in commerce within the United States various real estate and finance related services including, but not limited to, the following:

IC 036 - Real Estate Brokerage, Financial and investment services, namely, management and brokerage in the fields of stocks, bonds, options, commodities, futures and other securities, and the investment of funds of others

which are offered by or originate with Petitioner under it's THE VANTONE GROUP mark and name.

2. Since long prior to December 31, 2010, Respondent's effective date of first use based on the filing date of its earlier filed application which matured into Registration No. 4230555, Petitioner has used and continues to use the mark THE VANTONE GROUP in commerce in the United States in connection with such services. As a consequence, the public has attributed and continues to attribute to Petitioner, and Petitioner has used and continues to use the THE VANTONE GROUP mark and name in connection with the various services listed in classes 36.

3. By reason of such use in commerce, Petitioner is the owner at common law of the THE VANTONE GROUP mark.

4. Petitioner's rights in THE VANTONE GROUP mark have been recognized by the United States Patent and Trademark Office, which has issued the following two federal registrations to Petitioner.

Mark	Reg. No.	Services
THE VANTONE GROUP	3856724	IC 036: Real Estate Brokerage

THE VANTONE GROUP	4238285	IC 036: Financial and investment services, namely, management and brokerage in the fields of stocks, bonds, options, commodities, futures and other securities, and the investment of funds of others
-------------------	---------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

5. A copy of the registration certificate for Petitioner's two registrations are attached hereto as Exhibit A and B respectively. Petitioner's registrations are valid and subsisting. These registrations provides prima facie evidence of Petitioner's ownership of the THE VANTONE GROUP mark, of the validity of the mark, and of Petitioner's exclusive right to use the mark in commerce.

6. Petitioner recognizing that the largest group of foreign investors in the U.S. real estate market are Chinese nationals, used and continues to use a Chinese character mark and name in connection with the various services listed in class 36 (hereinafter "Petitioner's Chinese Character Mark"). Attached hereto as Exhibits C and D are images of the Chinese and English language pages of Petitioner's website wherein the two versions of THE VANTONE GROUP mark is displayed. This same mark is the subject of the following pending U.S. Trademark Application filed by Petitioner:

Mark	Serial No.:	Services
万通集团	85618998	IC 036: Real Estate Brokerage

7. Petitioner, upon information and belief, claims that the non-Latin characters in Petitioner's Chinese Character Mark transliterate to "**WÀN TONG** Jí Tuán" (emphasis added) and this means Ten Thousand Group in English. Petitioner further asserts upon information and belief that the English translation of the Chinese characters in Petitioner's Chinese Character Mark is THE VANTONE GROUP.

8. The services of the Respondent as described in its two registrations, are closely related, and in some instances identical, to the services offered and sold by Petitioner as described in paragraph 1 herein. Many of the services offered and sold

by Petitioner under its THE VANTONE GROUP mark and name are likely to be purchased and consumed by the same class of purchasers who are likely to purchase and consume Respondent's services, namely Chinese nationals and Chinese immigrants to the U.S. who seek real estate and finance related services. In addition, many of the services of Petitioner and Respondent are marketed through similar and related channels of trade. The first two Chinese characters in Respondent's marks are visually identical the first two Chinese characters that comprise Petitioner's Chinese character mark as shown below:

**Respondent's Chinese Character Marks:**  
Registration No. 4230555

万通地产

Registration No. 4234787

万通

**Petitioner's Chinese Character Mark:**  
Serial No.: 85618998

万通集团

9. Petitioner alleges, based on information and belief, that Chinese is a common, major, modern language read and spoken by hundreds of thousands of persons in the U.S. and billions of people around the world.

10. Petitioner further claims, based on information and belief, that in the Chinese language:

- i. there is no letter "V" and the "V" sound is most closely pronounced by native Chinese speakers as the "W" sound.
- ii. in the syllable "ong", the letter "G" is almost silent.
- iii. the word "the" does not occur in the Chinese language.

The key portions of both Petitioner's and Respondent's Chinese character marks, thus, are pronounced as **WAN TON** by native Chinese speakers or **VANTONE** by native English speakers.

11. On information and belief, Respondent has made no use of its alleged Chinese character marks in the United States for the services identified in U.S. Registration Nos. 4230555 and 4234787, prior to December 31, 2010, Respondent's effective date of first use based on the filing date of its earlier filed application which matured into Registration No. 4230555, which is a date subsequent to the date on which the Petitioner first used it's THE VANTONE GROUP mark and name in commerce within the United States.

12. On information and belief, Respondent has made no use of its alleged Chinese character marks in the United States for any goods or services, prior to December 31, 2010, Respondent's effective date of first use based on the filing date of its earlier filed application which matured into Registration No. 4230555, which is a date subsequent to the date on which the Petitioner first used it's THE VANTONE GROUP mark and name in commerce within the United States.

13. Petitioner, over a period of some years, has expended much time, effort and money in advertising and in otherwise promoting the sale of its services, and in encouraging its customers to recognize its services under THE VANTONE GROUP mark and name, wherefore the registrations of the Respondent enables Respondent to reap the benefits of such goodwill and reputation attached to Petitioner's mark, all to Petitioner's irreparable damage and injury as a result of the confusion which is likely to arise.

14. Since long prior to December 31, 2010, Respondent's effective date of first use based on the filing date of its earlier filed application which matured into Registration No. 4230555, Petitioner has used and continues to use THE VANTONE GROUP mark and name, and Petitioner has continuously and in good faith used THE VANTONE GROUP mark and name as described in paragraphs 1 through 3 hereof. As a consequence of the use of THE VANTONE GROUP mark and name, Petitioner's THE VANTONE GROUP mark and name has become distinctive in the minds of the trade and business community of the quality of the services offered by Petitioner.

15. Respondent's Chinese Character Marks so closely resemble Petitioner's THE VANTONE GROUP mark and name and Petitioner's Chinese Character Mark in sight, sound, connotation, and commercial impression that consumers are likely to be

confused as to an affiliation or association between Respondent's Chinese Character Marks and Petitioner's THE VANTONE GROUP mark and name and Petitioner's Chinese Character Mark.

16. Respondent's use and registration of Respondent's Chinese Character Marks is likely to cause confusion or to deceive consumers in the mistaken belief that the services of Respondent emanate from, or are disseminated under Petitioner's approval, sponsorship, or control, creating an adverse commercial impact due to the use of similar marks by Respondent all to the detriment of Petitioner, who is the prior user and lawful owner of THE VANTONE GROUP mark and name. Attached hereto As Exhibit E is the declaration of Mei Wang, a New York Real Estate Agent attesting to the likelihood of confusion between Respondent's Chinese Character Marks and Petitioner's THE VANTONE GROUP mark and name and Petitioner's Chinese Character Marks for real estate and financial services.

18. Unless Respondent's registrations are cancelled, Petitioner will suffer irreparable harm especially since it will not be able to promote its services to Chinese nationals and immigrants using the Chinese characters into which THE VANTONE GROUP mark and name are transliterated.

WHEREFORE, Petitioner respectfully prays that the registrations of Respondent be cancelled and the Petition for Cancellation be sustained in favor of Petitioner.
